

## Medical Authorization Form

This form is in reference to \_\_\_\_\_  
(pet's first and last name)

\*Please check (✓) only one box and print clearly\*

- This form authorizes Chrissy's Castle of Critters to seek medical treatment for my above-named pet should they feel it necessary while my pet is in their care.

I understand that in the event of an emergency, every effort will be made to contact me and keep me informed of my pet's situation. I am also aware that if the veterinarian I listed for my pet is not within a 10-mile radius of Chrissy's (see attached list), my pet will be taken to Middlebranch Veterinary on Route 6 in Carmel during regular business hours (845) 278-8000, or after hours, to The Animal Emergency Clinic of Danbury at 22 Newtown Road in Danbury, CT (203) 790-6383.

In situations with livestock that have farm-call veterinarians, the vet will be called to the site rather than the animal being taken to any emergency-type facility.

In either case, if my pet does require medical attention, I, the owner of above-named pet, agree to pay any and all costs associated with the medical treatment of my pet, and Chrissy's Castle of Critters or anyone employed by them is not liable in any way for medical/veterinary charges associated with my animal.

If you need to reach me while I am away, my phone number will be:

( ) \_\_\_\_\_

- I decline any medical treatment for my pet and will not hold Chrissy's Castle of Critters or any of its employees responsible for failing to seek medical attention for my pet should he/she become sick, injured, or expire.

Signed,
